

# Codingbug

inspiring the next generation of coders & makers

## Online Coding Clubs - Term 2 (Nov - Dec 2021)

Our coding clubs for Term 2 will be delivered online using a virtual classroom and online 'live' lessons. Choose a class to suit your child and sign up online. For more details visit <https://codingbug.co.uk>

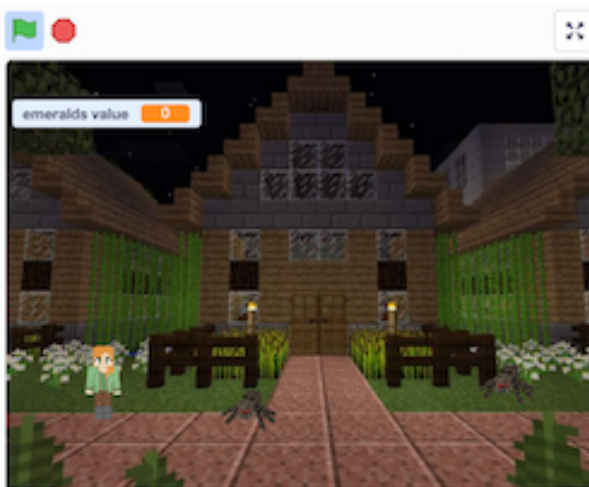

### Scratch - Mondays

Six weeks of coding for children in Year 3 - Year 6. Suitable for all coding abilities. Beginners are welcome.

The children will learn about algorithms, computational thinking and problem solving by making interactive games and stories.

For more details visit:

<https://codingbug.co.uk/scratch-mondays/>

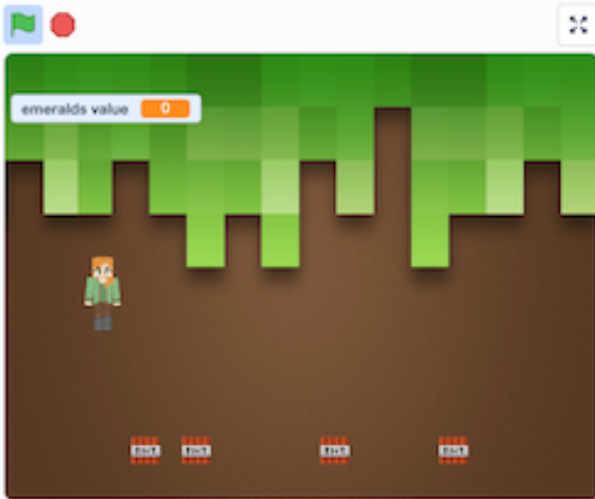

### Scratch - Tuesdays

Six weeks of coding for children in Year 3 - Year 6. Suitable for all coding abilities. Beginners are welcome.

The children will be creating algorithms, improving their computational thinking and problem solving skills by making interactive games and stories.

For more details visit:

<https://codingbug.co.uk/scratch-tuesdays/>

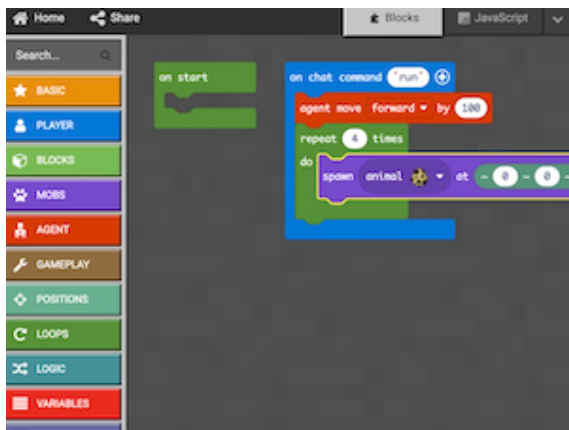

## Scratch - Wednesdays

Six weeks of coding for children in Year 3 - Year 6. Suitable for all coding abilities. Beginners are welcome.

The children will be creating algorithms, improving their computational thinking and problem solving skills by making interactive games and stories.

For more details visit:

<https://codingbug.co.uk/scratch-wednesdays/>

## Coding in Minecraft

This course is suitable for children who love playing with Minecraft and wish to learn to modify their Minecraft World with code.

The children will use the Minecraft educational edition (included with the course) and will learn about algorithms, computational thinking and problem solving skills.
