

BJS - New 30 Reads Challenge!

Your child may/ hopefully did! come home from school yesterday talking about a new Reading challenge that we will be starting in Term 3.

Further details will follow in January but the 100 Reads challenge will be morphing into a new challenge which we hope will be more accessible and achievable. This week, each classroom has received boxes of beautiful, brand new books for the children to enjoy. **We are extremely grateful to the PTA who funded the cost of the books and have enabled us to bring lots of lovely new titles to the classes- thank you!!**

A year group reading list will be stuck into your child's reading record (Year 6 will keep theirs in school) in the new year and further details will also follow then but for now, the children are very welcome to start reading and enjoying the new books both in class and at home.

Many thanks

Mrs Barnard
