

# PTA News

As ever we are so grateful for your continued generosity in our fundraising efforts. So far this year, your contributions mean we have been able to fund:

- Actors for WOW days
- New sound making equipment for the KS1 playground
- A new planter for the reception playground
- New decking to create a raised area by the pond

New IT equipment (ipads and cabinets)

There are lots of events planned for this term and next after a hiatus since Christmas, and so we have set out below some dates for your diary:

## **Friday 18 March - Y1 parent's bowling**

@Backwell Village Club. A fun night of skittles is planned with a fully licensed bar to aid proceedings. Please either let your class reps know if you can make it or email the general PTA email address [westleighpta@gmail.com](mailto:westleighpta@gmail.com)

## **Year 2 leaver's hoodies**

It's amazing the Year 2s are almost starting their last terms at WLIS. If you would like to order your child a leaver's hoodie, please look out for information on purchasing through PTA events.

## **Class sponsored events**

At the beginning of next term each class will be completing a class sponsored challenge. The classes will choose their own events (with a little help from their teachers) and the events will take place the first week after Easter holidays. Last year one class their own West Leigh Triathlon and another competed to see how many routes of an obstacle course. They all had a great time, so we hope this will be repeated in April.

## **Other future dates:**

Wine tasting - TBC

School Fair - TBC

Y2 leavers disco - 14 July

The circus comes to Backwell - 11 September

As ever, if you are interested in helping out with any of these events (and the more help we have the better) please let us know!

Also, if you are in a position where your employer match funds, we would love to hear from you.
