

Year 2 Trip to Chepstow Castle

Year 2 have been learning all about castles this term and earlier this week Fox and Hedgehog classes got to go on their first ever school trip to visit Chepstow Castle. The children loved exploring and were able to spot lots of the castle features they had learned about, including the battlements, arrow loops, towers, castle gates, and even the medieval toilets! They bravely ascended the steep spiral staircases to the top of Marten's tower, where they could see views over the River Wye and across to England – very handy for spotting approaching invaders. Miss HD, Mrs Atkins and Miss Hiscocks were all very impressed with the way Year 2 behaved and represented our school on their day out. A big thank you to all of the parents who accompanied us on the trip.
