BJS Easter Festival Eggstravaganza!

Wow! What an absolutely incredible morning we have had at BJS today!

It has been a real pleasure to be able to celebrate the end of term with our infamous 'Easter Festival' at the BJS. We have invited in parents to watch some truly spectacular performances from our very talented pupils.

A mixture of Singing, dancing, music and other entertaining 'open' categories have kept us on the edge of our seats. Mr Webster has entertained us with his highly amusing jokes and the children have contributed their own too.

The Creative category was a real treat to look at. We hope you enjoy a few of the pictures below.

Sycamore raised the trophy as the winners of this years Easter Festival.

Congratulations Sycamore house!

However, a huge 'WELL DONE' to every single pupil who auditioned, entered creative categories and supported their houses so well. We are so proud of you all. The staff even had a treat for everyone at the end of the morning, showcasing our video to the 'Friends' song.

Thank you so much to Mr Webster, Mrs Pearson, our expert judging panel, and all the staff for helping to make this morning so memorable!

Wishing everyone a fabulous Easter holiday!
