Three Wise and Thoughtful Owls

Three of our Wonderful Year 2 Owls, Harriet, Connie and Charlotte, were taken with the idea of fundraising for the school's solar panels project, and together, they decided to hold a cake and lemonade sale on Saturday 17th May. With their will, determination, and fantastic selling skills, they raised a **whopping £177!**

A very big THANK YOU goes to Charlotte, Connie, Harriet, and their siblings, who helped to run the stall and even went door to door to rustle up potential customers.

Thanks also of course to everyone who donated cakes and stopped by to buy some!

Thank You PTA – From Hedgehog Class

Continuing on the cake theme, Miss Deacon and the whole Hedgehog Class would like to say thank you very much, to our Wonderful PTA, for organising the last Hedgehog Cake Sale in February. From the money raised, we have been able to buy a set of Magnetic Tiles, a Mobilo Construction Set, and some playground chalk.

Class News – Reception Trip to Puxton Park

On Wednesday 14th May, Badgers and Squirrels enjoyed a fantastic school trip to Puxton Park. They met a range of furry and not so furry creatures, made a bug hotel and created a toy for a marmoset.

In the afternoon the children went on a tractor ride and learnt all about the Puxton cows and some children even managed to go on the train.

It was a beautiful sunny day and we are really proud of how the children behaved.

Thank you to our parent helpers who accompanied us on the trip. We really appreciate you giving up your time to join us.

Class News – Reception Trip to Puxton Park

On Monday 19th May, Year 1 and 2 took part in The West Leigh Triathlon! The triathlon events were running, scooting and bouncy hopping. Children chose to complete the triathlon solo or in teams of 2, 3 or 4. There was lots of energy, enthusiasm and teamwork. Everyone was amazing and completed the triathlon with huge grins on their faces. It was wonderful to see the children enjoying the event as well as cheering each other on. Well done Hedgehogs, Owls and Rabbits, you should all be very proud of yourselves! Any sponsorship money is due in to the school office by Friday 6th June.

The PTA Team

A vibrant, cartoon-style illustration for a summer fair. At the top, a yellow sun with sunglasses is centered within a large white circle. Above and below the circle are strings of colorful triangular bunting flags in shades of blue, pink, yellow, and red. Two hot air balloons, one blue and white striped and one red and white striped, are positioned on either side of the central circle. Below the circle, a red banner with white text reads '11.30AM - 3.00PM'. At the bottom of the circle, two red and white striped tents with yellow star emblems are visible. In front of the tents, on a green grassy hill, are illustrations of a pink and blue ice cream bar, a strawberry, a pink ice cream cone, a pineapple, and a pink drink in a glass with a green lid and a straw. The background is a light green gradient.

How to be Sun Safe with Shade Man

Sunscreen must be applied before you go outside in the sun for it to work

Wear sunglasses and don't look directly at the sun

To keep protected you should use all forms of cover including hats, sunglasses, clothing, sunscreen and shade

Wear a hat such as a sun cap like mine to keep your head cool and protected

Don't stay in the sun any longer than 15 minutes without protection

Keep hydrated, especially on very warm days

Always play in the shade

Reapply sunscreen regularly even when using 'once a day' and 'water resistant' sunscreens

For more downloads including a Sun Safe Activity Pack, go to www.abtecantopies.co.uk/shademan

With Summer on the way, and temperatures on the rise, please ensure you send your child/children in with a sunhat, sunscreen and a full water bottle.

BJS – Health and Fitness Week

We have had the most wonderful week at BJS, Health and Fitness Week has been full of wonderful events suitable for all needs and abilities.

Gymnastics, Boccia, Speed Stacking, Tug of War, Cornhole, Woodlands Walks, Tennis, Bleep Test, Art and Mindfulness and of course the much talked about and very wet Water Challenges which mostly ended up with a lot of water and a very very wet Mr Williams!

We would like to thank Premier Sports, North Somerset PE Association, Gym Clubs, Bellatrix Dance Company and MatchPoint Tennis Club for contributing towards this being a week to remember

The biggest thanks of all goes to the fabulous staff for organising and getting fully involved in all the fun and to Mr Williams for all his hard work and dedication in putting this week together.

80th Anniversary VE Day Concert by Indiana – 6S

In April, my mum received a message inviting me to go the 80th Anniversary VE day concert as I participate in St John Ambulance cadets. So on Thursday 8th May, I took a looong coach to London and visited the Natural History museum. Afterwards we took the underground to Trafalgar square and then went to Horse Guards parade, where we met the Chelsea pensioners, retired army veterans who live in Chelsea hospital and had a photograph with them. We then took our seats, near the royal box and watched as King Charles III, Queen Camilla and the Prince and Princess of Wales, William and Kate entered the box, along with the Prime minister and some of the remaining world war 2 veterans. Next we were surprised by a Battle of Britain plane flying overhead! We then watched performances by the Strictly come dancing professionals and a lot of different singers and listened to some stories from people who were around in the war, like Mary Berry and also from Harry, a 107 year old, who was in the royal box. When it was over we took the tube back to the coach station for a very loooooong coach journey home. All in all it was a fantastic experiance and I was honoured to be invited.

BOOK CORNER

The Book Corner is an opportunity to celebrate everything we love about reading here at Backwell Juniors. From monthly book recommendations to reading support/ updates/ events- it can all be found here!

BOOK FAIR- thank you!!

Apologies for the delay in announcing but after totalling online and in-person payments, we are thrilled to announce that with your fantastic support, we raised a brilliant **£614.50** in our Spring book fair!!

This has given us **£245.80** to spend on books in school and along with the November Book Fair's commission, we were able to put this money to good use! As part of our World Book Day celebrations, classes came up with a wish list for books that they would like to see on their class bookshelves and so this then formed the shopping list for our commission spending. The new books have arrived in school and with the help of library club this week, they will be distributed around classrooms!

Thank you to both our book fair volunteers and everyone who supported the fair ☺

The other arm of being a competent reader, alongside reading fluently, is reading comprehension (understanding the text). Once word reading is mastered at KS1/ Lower KS2, this is our main focus when teaching reading at the Juniors. Our reading lessons will either centre around a single reading comprehension skill or a combination. The children are well-versed in the 'Reading Dogs' which link to each of the comprehension skills.

Here is a copy of some generic questions that you might ask to develop each of these skills. These may come in handy at home if you'd like to discuss your child's understanding around the text/ chat about what they've read in more detail.

MONTHLY MUST READS

Each month, we post a selection of 'hot off the press' recommended reads. This month, the recommendations are taken from a number of award winners/shortlisted titles from www.lovereading4kids.co.uk. These books are not currently on the 30 Reads list but could be added under the 'your choice' section on the 30 Reads log. **These books can also be reserved and borrowed from Nailsea Library ☺**

Aspens Select

Please remember to book your lunches for rest of the term so that the kitchen can plan ahead. Many thanks.

If your child is unwell and cannot attend school please can you ensure that you leave a message or email the office to let us know by 9.30am on the day of absence and each day thereafter. In your message please could you give a brief overview of the symptoms rather than just saying “unwell”. The reason for this is so that we can identify if there is a certain illness that is circulating and take any steps possible to minimise the spread.

Parking at BJS

The school office have received a large number of neighbourhood complaints regarding parking at school and in the surrounding roads. There has been an increase in the number of parents dropping their children off by car directly opposite Backwell Juniors. We'd like to remind everyone that it is not permitted to stop on the painted zig zag lines outside school, but it is also unsafe to park on the road due to the narrowness of the lanes etc.

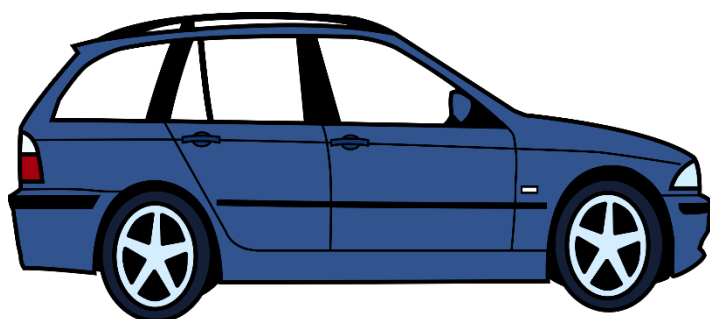

Several children have mentioned that they feel unsafe walking to and from school due to the speed and number of cars on this road and so we politely ask for you to refrain from dropping off in these areas and park on Dark Lane and walk the short distance to school to drop off/pick up. This additional 5 minutes is a small ask given these safety concerns.

Large vehicles have been unable to pass on Church Lane and the congestion level at school times is excessive.

As well as being very concerned about reports of people being rude to other road users and our neighbours we are very concerned that if larger vehicles are unable to pass then emergency vehicles will also be unable to reach a destination in an emergency situation which in turn could have devastating results to the community.

We ask you all to consider your parking – leave a little earlier for a space near school or park a little further away in a safe manner. Community Police have been informed and we have requested assistance in managing this going forward.

Thank you for your cooperation.
