

# Squirrel Class News

Hello from Squirrel class! This week we have been reading the story Pumpkin Soup and had lots of fun when making our own pumpkin soup. All children helped with cutting up the ingredients, adding everything into the pan, and enjoyed watching as the ingredients started to cook. Once everything was cooked and blended, we got to take part in the best bit....the taste test! Here are a few quotes from the children to let you know what they thought about the soup....

Millie: "Love it!"

Jaxon: "Best soup I've ever had."

Freya: "Tastes like vegetables."

George: "It's the best soup in the whole world."
