

Author Event - Squiz Gordon

On Friday 15th October, we were visited by the author Squiz Gordon. She came to speak to us about her latest book 'The Woogle and the Sprockerdor'. Squiz spoke to each class and shared a chapter from her book, which was all about the adventures of her two dogs (and cat!). The children all listened carefully to the story and then shared their own experiences of different themes linked to the chapter. There was also a chance to ask Squiz questions about her journey as an author. A number of pupils then had a book signed by Squiz. A lovely treat for a Friday; thank you to Squiz for coming to visit us.
