

BJSA and West Leigh PTA would like to say a HUGE thank you to everyone who helped with and attended this year's joint Summer Fayre! We are delighted to share that we raised approximately £4000 on the day, with hopefully more to come via matched giving from Lloyds Banking Group. We hope you all had a fantastic time, it was wonderful to see the children enjoying themselves and making the most of "Soak the Teacher" as well as all the other fun games and activities available. Here are some snapshots of the day!
