

BJS Sports Day Morning

24 June 2022

We were initially a little worried that Sports day morning at BJS would be a bit of a wash out this year. The weather was most definitely on our sides, and although it was a little overcast, we had almost perfect conditions for all activities.

It was an absolute pleasure to be able to invite parents back to school to help us celebrate sports day. We all enjoyed the class races, where all children took part in races and activities, including, 3-legged, egg & spoon, under & over races, to name but a few.

Children also raced for their houses in the flat races, under & over, family relay and several more, to continue to gain house-points towards the end total.

We also enjoyed watching the parents vs staff under 7 over race, which is always a highlight of sports day... and very competitive. Well done to the parents for cinching the win for 2022!

Congratulations to all the children for taking part and a big BJS congratulations to Beech House for lifting the shield as the winning house for 2021/2022
