

Rabbit Class

The last few weeks in Rabbit Class have been very busy. Our topic for the term has been The Seaside and we have been sharing the text 'Billy's Bucket'

As part of our learning we found out about seaside holidays during The Victorian times. We learnt about the history of Clevedon Pier and were lucky enough to go on a visit and dress up in Victorian costumes.

We have also all had a turn at designing our own buckets and brought these into school to share with our friends and teachers. We even had a go at making jelly buckets with blue jelly and sea creature sweets!

Our end of term treat was a beach day. We all designed and made ice cream sundaes and had a great time outside with water, bubble guns and a visit from Punch and Judy.

We have all worked very hard and are now ready for a good rest!!

Happy holidays everyone.
