

Squirrel Class News

This week we have been learning the story of 'The Gigantic Turnip'. The children have enjoyed retelling the story with their friends and particularly enjoyed acting out the story as a class. We have got some super actors in Squirrel class! On Tuesday it was Polling Day. Squirrel children had the opportunity to vote for who they would like to be their class representatives for school council. The whole process was very exciting! Each child was given their own voting slip and got to go into a voting booth to mark which boy and girl they would like to choose for school council. Once they had made their decision, they posted their slip in the post box. We can't wait to find out the results!
