GymClubs are thrilled to be able to offer the children at Backwell Primary School our popular gymnastics club ran by our experienced team. The club has limited spaces and will be secured on a first-come first-serve basis.

We would like to give children the opportunity/autonomy to work on their gymnastics within a more personable known setting to them where they will have the chance to work on choice skills. This may be gymnastic fundamentals including handstands, cartwheels and round-offs, as well as the more complex skills including *handsprings* and *back flicks*.

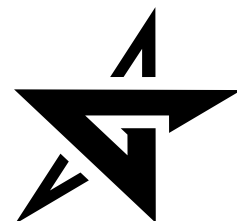

This is an inclusive club, from beginners to novice gymnasts, all are welcome!

To avoid disappointment and to secure your child's place, please use our online registration form selecting '**BACKWELL**'
