Dear Parents,

As we move towards the end of another busy couple of terms, thank you, as always, for your support of our celebration and class assemblies, parents evenings and joining us on various school trips, walks and excursions.

Enrichment of the curriculum is such a vital part of what we do and it has been fabulous to see the children dressed up for some 'Wow' days, World Book day and explorer visits etc. Church days and services at St Andrew's have also added such positivity to the children's experience. We are lucky to have such a positive community around our two schools.

Our sports teams have represented BJS in gymnastics, football and hockey tournaments really positively and the return of our swimming gala at Backwell Pool was another significant highlight. Well done to Willow and Sycamore houses for their respective successes at Year 3-4 and Y5-6 level.

Thank you, as always to our wonderful PTAs for their continued support at both schools. Cake sales, discos and many other initiatives ensure the pupils can enjoy a fully enriched curriculum during these increasingly challenging financial times. Additional computing resource has been purchased at each school which supplements all curriculum areas and ensures we can support pupils through various online resources and Apps.

We have also enjoyed our fabulous 'Spring Sing' at West Leigh and the ever popular Easter Festival at BJS where music and creativity were to the fore! Wishing everyone an enjoyable Easter period wherever you may be spending it.

Yours sincerely

Nick Webster
